

Report from Elvesthorpe Folk Dance Club
September 2012

Elvesthorpe Folk Dance Club continues to meet on the 2nd and 4th Friday of most months from September to June. During the past year there have been approximately 18 Club nights at Elvesthorpe Village Hall with outside callers. Although numbers are not great the Club is managing to hold its own financially. There have been 2 Hoedowns held at Ashby Road Sports Club in Hinckley with live bands and a caller. One of the Hoedowns made a profit and the proceeds from the raffle was sent to Water Aid. The second made a loss and the raffle supported the event.

The Club now has a Chairman and a Programme Secretary and a Treasurer together with 4 Committee members. All are involved in publicising the Club in an attempt to gain new members.

During the year the Club has organised some social events. A very successful skittles evening was arranged and attended by 35 members and friends. A ramble was also organised with a meal at the end of the evening. One member invited all members to a garden party during August.
