

Last Autumn, when checking dates, it came to us in a blinding flash that in 2015 (at some hypothetical date) GLENFIELD FOLK would reach its 50th Anniversary!

Started as an evening class by Glenfield WI, Sam Flinders soon became its regular tutor and carried on his sterling work as an independent group for 20 years. Having joined the class in 1969, we accepted Sam's invitation to take over (very nervously) when he wished to retire in 1985.

So Glenfield has just celebrated A GOLDEN YEAR –

GOLDEN FACES (a coffee evening with many reminiscent photographs and video film clips)

GOLDEN SKITTLES -

GOLDEN QUIZ - and finally

GOLDEN ASSEMBLY! This happy occasion was attended by almost all the current members, some past members and a welcome sprinkling of friends from other Leicestershire dance groups.

We are pleased to acquire an occasional new dancer on a Monday but we much appreciate the loyalty of regular members and our numbers in general stay fairly stable.

This year we have been able to donate two sums of £125 and £150 to EFDSS, specifically for the refurbishment of Kennedy Hall.

Keep Dancing!
