

GLENFIELD FOLK 2015/2016

Our past two terms at Glenfield flowed along very pleasantly with a good standard of dancing across the group.

From September to March we get through some 240 dances, which we hope display the wonderfully varied nature of our particular form of dancing. Our numbers remain static as we occasionally add a new member or two to replace those who, sadly, have to retire for health reasons. Christmas is welcomed with a festive bring & share supper and in March, end-of-term is celebrated with Party Night!

The highlight of our personal year was in November when we were invited to attend the Blaby District LSA Evening (Local Sports Alliance). We went along quite innocently and were then astounded to be presented with the first award of the evening - grandly titled 'Active 4 Life - Health and Wellbeing Award'. We felt very honoured but regard this as a great tribute to the members of GLENFIELD FOLK.

Keep Dancing!!
