

Glenfield Folk Report

September 2013

Our two terms of dancing progressed happily with no particular change in weekly numbers. Except when the snow came!

We were pleased and surprised when 20-30 local dancers struggled through the first snowfall but the second week was beyond bravery and we had to cancel. I sent the cancellation email in verse and the flip-side to this was the most entertaining response - a whole witty anthology of poems came beaming back. Expect people had got bored looking at the snow!

We all enjoyed our annual bonding outing to the Pub and the Skittle Alley, wonderfully organised by Andy and Gina Kirk.

Our end of year party was also a great success, master-minded by our catering committee. People even managed to dance afterwards, despite devouring lots of lovely food.

There was some sadness in our year at losing two members - Dick Wheatley and Pat Smart - both of whom will be remembered with great affection.
