

## Glenfield Folk Report for 2014 AGM

We are pleased to report that the year at Glenfield Folk has passed smoothly and hopefully enjoyably. Our numbers remain stable, with 55 people on the register and weekly attendance of 40 plus. The dance diet is suitably varied and it is always good to see improved quality and confidence in the dancing in line with the origin of Glenfield as an evening class.

Our social events remain the same with festive food at Christmas and in particular at our end of year Party, when our catering committee provide us with a wonderful spread. Bonding events are our ever-successful Skittle Evening, joined this year by an additional Quiz Evening.

Sadly, we didn't manage to replace our Garden Dance this summer but still hope for the future. The only extra was a Coffee Evening called 'A Closer Look', which was essentially a last opportunity for local dancers to discover the interesting contents of our historic collection of ENGLISH SONG AND DANCE Magazines, dating from 1922 – 2004 (with an unfortunate gap from 1930 – 34).

They stimulated plenty of 'Listen to this' type of conversations! We are still investigating possible new lodgings for the collection, with suitably responsible new owners. The evening was rounded off by a brilliant slide show from David Foulds giving us 'a closer look' at the fantastic wildlife in his garden. As a result of the evening, a donation of £75 was sent to LOROS.
